**REQUEST FOR PROPOSALS FROM TANTRAMAR COMMUNITY GROUPS
– ENERGY EFFICIENCY RETROFIT PROJECTS -**

Energy affects how we live and with increasing concerns surrounding energy resources there exists a need for energy literacy. EOS Eco-Energy is seeking project proposals for an energy efficient retrofit project from non-profit community groups or educational centres. The retrofit project must be made visible and used as a tool for energy literacy in the Tantramar region (Dorchester, Memramcook, Port Elgin and Sackville).

This funding is available on a 50/50 match basis, up to \$3,100.00 for the selected project of their choice. To be eligible candidates must meet the following criteria:

- Non-profit community or educational group (i.e.: faith groups, food banks, environmental groups, family groups, youth groups, school group, etc.)
- Based in the Tantramar region
- Own or manage facilities

Application deadline: February 1, 2013
Applicants may submit in person or electronically.
