3-5pm  
Sackville Commons

64 Main Street

The Sackville Art Hive is a free community art studio that welcomes everyone as an artist. Open studios provide a variety of materials to use. Limiting waste through creative reuse is an essential component. The Sackville Art Hive runs once per month and is open to all ages.

In January and February, 2018, The Sackville Art Hive will partner with EOS Eco-Energy for Climate Change Week.

Please join us for three exciting art hives where we will use discarded objects and boxes for creative reuse.

January 20 & February 3, 2018

### There's No Such Thing As Garbage

We will use broken and discarded objects to create art pieces both large and small. Come help us create art installations or create your own.

February 24, 2018

### This Is Not a Box

We will fill the Main Hall of the Sackville Commons with cardboard boxes of all shape and size. Come build a rocket ship, a car, a cityscape, a puppet, theatre, a diorama. We will provide materials such as tape, glue, paint, markets, and the rest is up to you.

Then stay for a community meal and Disco party. Meal provided by Lettuce Eat.
